ABOUT US

“**Easy Process Food**” is a premier manufacturer and 100% export oriented agro-processed frozen food products based in Bangladesh. Since 2009 we have been involved with this business, we have established **Easy Food** into a trusted brand name in the industry, dedicated to delivering hygienic and delicious frozen food items to markets around the globe.

With a diverse product line in **Easy Food** brand that includes **frozen snacks, sweets, traditional pitha, ready-to-eat meals, pickles and vorta (Paste), and a variety of vegetables**, we cater to a wide range of culinary preferences. Our commitment to quality and customer satisfaction drives us to ensure that every product meets the highest standards.

We export to the U.S.A, Canada, France, Japan, and Ireland, and we are excited about the opportunity to expand our reach into new markets.

At Easy Process Food, we not only focus on quality but also on creating employment opportunities and empowering women within our community. ***We are committed to donating 2 cents from the sale of every packet to support the education of autism children in Bangladesh.***

In addition to our focus on quality, we prioritize sustainability and ethical sourcing practices, ensuring that our ingredients are fresh and responsibly sourced. Our state-of-the-art manufacturing facilities adhere to international safety and hygiene standards, enabling us to maintain the integrity of our products. We are also dedicated to innovation, continuously exploring new flavors and product lines to meet the evolving tastes of our customers. Join us in sharing the authentic flavors of Bangladesh with the world!
